Concrete Arch Bridge No. S-30620 Reconstruction  
MacDade Blvd Bridge over Ridley Creek – City of Chester & Ridley Townships

Gentlemen:

We are hereby providing you with advanced notification that our company will be implementing a closure and detour of MacDade Blvd. in the City of Chester and Ridley Township starting on or about Monday February 27<sup>th</sup>, 2012. This bridge is located between Melrose Avenue in the City of Chester, and Bullens Lane in Ridley Township. A copy of the PADOT designated Detour Route is attached for your reference. The bridge will be closed for reconstruction for approximately 9 months.

If you should need any additional information, please feel free to contact me at (610) 593-3232 at your convenience.

Sincerely,

A handwritten signature in black ink, appearing to read "Jim Roberts", written in a cursive style.

Jim Roberts
